Bruce,

I hope this finds you well and healthy.

As requested, we are submitting our responses to the comments from the public hearing for the Board's consideration. I understand the application is on the agenda for 6/2 and will be heard after the other matters (late on the agenda). If there has been any public comment since the hearing please forward copies to me so that we may be prepared to respond a the meeting.

If you have any questions, please feel free to contact me. Thanks.

Mark

Bruce,

We are asking for the McLean 1 Solar project to not be placed on the Planning Board Agenda for the June 2, 2020 meeting and, instead, be placed on the next regularly scheduled Planning Board meeting at the end of June 2020. Please provide me with the agenda for the next meeting when it is prepared.

In the interim, if you require anything from us, please feel free to reach out to us. Thanks.

Mark
