To Whom it May Concern:

I would like to propose the following at 3624 Glenwood Ave., Cortland NY location:

- install gravel pad (made of item 4 gravel) next to the main building on the lot
- place 18x20 temporary steel storage building on the gravel pad for the storage of dry goods, ladders, conduit, electrical supplies, scrap barrels, etc. (gas cans if permissible). The edge of the building will be 30ft to the property line. The building will be locked with surveillance camera pointed at that location.
- Re-locate dumpster to the gravel pad for easier plowing access

Sincerely,

Robert M Beard

Green = new building
Blue = move dumpster
Black = stone pad
